## Monggo Chocolate: dark, locally-made, authentic flavors

Produced in Indonesia and prepared with the utmost respect for chocolate-making as an traditional art, Monggo Chocolate contains some of the finest dark chocolate products and is made with 100 percent cocoa butter. Monggo Chocolate selects the best in

cocoa beans from Javanese, Sumatran and Celebes plantations. Each flavor has a distinct Indonesian taste and are creations of Monggo Chocolate's Belgian chocolatier at their "maison de production" in Yogyakarta.

All of Monggo products are natural and much of the packaging is made from recycled paper and certified FSC paper. Monggo reduces plastic as much as possible in its production process.

High-quality and environmentally-friendly products, all containing Monggo's authentic flavors, make the chocolate a number-one choice for quality and taste.

Monggo Chocolate's website, [chocolatemonggo.co.id](http://chocolatemonggo.co.id), is a window into the company and its products.
